

Waiver of Liability for Passengers Opting to Swim on the Mandurah Cruises Wild Seafood Experience

This waiver applies to The Wild Seafood Experience. This is the name of the tour owned Quay Ventures Pty Ltd and operated by Mandurah Cruises.

Acknowledgement and Assumption of Risk Warning: This may affect your legal rights and obligations. If you have any questions, please ask your representative before signing.

Like any marine based activity, tour or cruise, passengers participating in 'The Wild Seafood Experience' are exposed to risk, with that risk increasing if you choose to swim off the boat conducting the tour. This waiver ensures you recognise these risks. By purchasing tickets, you are binding yourself, and in a group purchase situation, those on whose behalf you have purchased tickets, to the following terms. For the avoidance of doubt, in the latter case "I" or "my" applies to any participant in the group.

I agree that if I opt to swim off the boat I:

- Can swim adequately for the ocean conditions;
- Am not adversely impaired by medication, drink or drugs;
- Am capable of entering and exiting the water independently;
- Will follow all instructions given by employees of Quay Ventures Pty Ltd aboard the boat;
- Will remain within the vicinity of the boat so crew can assist promptly in the event of an emergency;
- Will appropriately supervise all children under my care;

By the purchase of a ticket(s), I understand the risks and responsibilities that arise from my participation, and aside from acts of gross negligence or wilful misconduct by Quay Ventures Pty Ltd ("The Company"), I hereby release, indemnify and hold harmless The Company from any liability for any injury, death or property damage resulting from my participation.
