

Christmas Lights Cruise Guidelines

Mandurah Cruises Christmas Lights Cruises will be departing every night from 1st December 2021 to 8th January 2022. Departure times and locations vary. Please ensure you read vessel descriptions on our website and your confirmation which you will receive once you have completed your booking. Hundreds of people attend these cruises at each departure time so there are a few important things you should know to ensure you have a wonderful evening with us.

- **Boarding will close 10 minutes prior to departure time.** All cruises will leave at their departure time, no vessels will wait for late comers. So, please make sure you allow plenty of time to arrive for your cruise.
- Please read your booking confirmation for boarding commencement times as this varies for each vessel.
- There is **NO reserved seating**, it is a 'first in, first choice of seating' policy.
- **NO prams or strollers** are permitted on any vessels due to space restrictions.
- If you have any people in your group with a **wheelchair or walking frame** please ensure you tick this on the booking page. The only vessels appropriate are Dancing Dolphin (recommended) and Mandjar. For any other special needs please call our booking office on 9581 1242.
- **Groups** will not be allowed to queue or board until the whole group has arrived.
- **BYO drinks** are welcomed on board vessels *Reel Affair*, *Spirit of Adventure*, *Supercat* and *Libby J* - smaller cooler bag only, no stemmed wine glasses or eskies. There is strictly **NO BYO** alcohol on vessels *Mandjar* and *Dancing Dolphin* as they are licenced venues with a fully bar on board, drinks available for purchase.
- A jetty co-ordinator will be stationed at the *Mandurah Boardwalk Jetty* (Mandjar Bay) every night during Christmas Lights Cruises. Please see them on arrival to find out which vessel line you should be in and for any assistance. For vessels *Reel Affair* (departing from Stingray point) and *Libby J* (departing from Dolphin Quay) there will be clear signage at the departure location advising where to queue.
- We recommend bringing a jumper or jacket as it can get cool on the water in the evening.
- Don't forget to bring your camera as we will be having a Christmas Lights Photo Competition with huge prizes up for grabs.

- We encourage you to dress to the Christmas theme as we will be having a best dressed competition this Christmas Lights Cruise season.
- Please bring your Christmas cheer and best Christmas carolling voice!
- Christmas Lights Cruise tickets are non-refundable and non-transferable.
